

# Kajeet Device Internet Access and Checkout Agreement

Use of a Kajeet Device is subject to the terms and conditions set forth in this checkout/access agreement, and by checking out the device, you have agreed to the following:

- I understand that the Kajeet Device can only be checked out by a Suffolk Public School student. All students must have a signed Kajeet Internet Access Agreement on file before a device can be checked out.
- I understand that a Kajeet device can be checked out based on availability. The device must be returned to your current schools Media Specialist by the due date/time with all included accessories. If the device is not returned on the due date, the parent/guardian will be notified. In addition, Wi-Fi service will be disconnected and the device will no longer be usable. *Failure to return the device will result in a \$50.00 replacement charge.* Suffolk Public Schools reserves the right to refuse checkout to students who abuse the device or repeatedly return them late. Devices may be checked out to Homebound/Home-Base students through the Suffolk Public Schools Homebound/Home-Base instructor for up to seven (7) days based on availability.
- I understand that the Kajeet device runs on the Verizon network and that the speed and availability of the Wi-Fi connection will be dependent on the service area of Verizon towers. Service connection is not guaranteed in all areas.
- I understand that the Kajeet device may NOT be returned in the book drop; it must be returned to my current schools Media Specialist. If I do not return the device to my current schools Media Specialist in good working condition with all included accessories, I will be charged the replacement cost of **\$50.00**.
- I understand that there is Internet filtering software on the device. My use of the device is subject to Verizon’s Acceptable Use Policy, Privacy Policy and Terms of Use, as well as the Suffolk Public School District Acceptable Use Policy. Students are bound by the Suffolk Public School District Acceptable Use Policy, School Handbook, administrative procedures, and all other guidelines in this document and the Chromebook Agreement Form wherever they use a Kajeet Device and/or a Chromebook.
- I understand that Suffolk Public Schools is not responsible for any files, data, or personal information accessed, transmitted, lost or damaged while accessing the Internet via the hotspot.

**By signing this agreement, I accept the above checkout agreement and am stating that I am responsible for returning this equipment to my current school (Suffolk Public Schools) in good working condition and free from damage.**
